Organiser's Report

The results of the 15th Season are shown below. We were again fortunate to be supported by **Thames Valley Conference (TVC)** who put up an opposition every weeks enabling all WSFA member teams to get a game. We've played **306** games with just **30** postponed and / or cancelled. Congratulations to **Woking Pitts Elders** on leading the results table this season and congratulations to **Teddington Tigers** for heading up the TVC results. All teams are to be thanked for maintaining our ethos of 'playing regular friendly hockey between teams comprising players over 50 years of age'. Whilst not all goals scored are recorded, it is believed that at least **604** goals have been scored.

Results Table 2016 - 2017

WSFA Team	Games Played	Points	Success Index

The only grouse is that a few teams fail to record their results either on the website (for which a password is required from George Oliver) or with the Organiser by 6 pm on the Saturday the game takes place. If members don't do this it means they have to be followed up so that a complete set of results can be published.

Merger

Some weeks ago the Organiser received an invitation to meet with Nick Cane (Trojans) to discuss a potential merger of the WSFA with the Mercian Wessex Masters' League. In the event the meeting didn't take place and his proposals were really no different to what has been in place for many years between the WSFA and the MWML – that is free transfer between the two leagues.

Subscriptions – currently £10 per WSFA team per season which is used to pay for the Website created and maintained by George Oliver of South Berkshire Hornets. Presently we have £130 in the Bank.

WSFA Team	£amount	Date Paid
Amersham & Chalfont Vintage	£10 sub paid	03-Oct-16

Next Season 2017 – 2018

Steve Edwards, Organiser of Thames Valley Conference had written to the Organiser saying that the teams in the TVC have no problem at all playing WSFA teams. TVC is meeting on 2 May to discuss everything TVC and will get back to him shortly afterwards. It is anticipated that a similar pattern of games will prevail in 2017 – 2018.

Next Season (our 16th) will run from **30 September 2017** to **14 April 2018** (26 weeks). Easter Saturday falls on **31 March 2018**.

The Gerald Eve tournament will probably take place on **21 April 2018** at Haslemere and the AGM will take place on the same day.

Some teams may wish to play pre-league season friendlies on 2, 9, 16, and/or 23 September 2017 or end-of-season games in late April 2018. If so they should make their own arrangements.

Once we have confirmation of TVC's involvement next season we will publish the proposed games for next season, probably in early June 2017.

The meeting closed at 1345 hrs

Addendum

Mercian Wessex Masters Cup competitions

Gerry Conran wrote to the organiser on 10 April 2017 as follows:

'I wondered if again some of your teams may like to enter into our **over 50s Cup competition** for next season, the early dates are before main season begins, in the year we have just had I think we had matches 10th, 17th and 24 of Sept, and a slip date in January, matches could be played Saturday or Sunday, in fact the slip date was not used, so all the matches were in Sept, which produced a team who went through to a finals day comprising 4 teams in April.

It was great to have some of your teams playing this year, and hope that both those that played this year and some others may join us for the 2017/2018 competition, I think that for all of us it is of benefit to be playing against different opponents. So I would be grateful if you could put this around to your guys, to see if there is some interest. I will put some materials together with full details after our AGM in May, and if you have any other thoughts or suggestions on any areas of possible overlap, let's chat.
